# Welcome the Holidays with a Glorious Wreath

All around the world, a wreath on the door is a sign of celebration and an enduring symbol of welcome. Display Arts takes it to new heights for the holiday! Welcome the season with a spectacular wreath, suspended or wall-mounted for all to see!

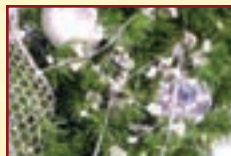

## Versailles Opulence

*Palatial grandeur with a golden touch. Magnolia and verbena blossoms, holly and grape leaves, and delightfully unexpected butterflies are all richly gilded, wrapped in gold mesh ribbon and set a-sparkle with amber and clear mini lights.*

## Arctic Crystal

*The icy beauty of the far north is exquisitely captured with frosted leafy sprigs, snow-glittered white sprigs, silver baubles, crystal mesh ribbon, and starry white mini lights on a pine bough circlet.*

## Monte Carlo Magic

*A spectacular homage to glitz and glamour featuring all the trappings of a gala event – dramatic spike stars, gold mesh ribbon, diamond-bright clear and multicoloured mini lights and jewel-toned matte metallic baubles.*

## Park Avenue Elegance

*The aroma of Roasting Chestnuts... the sound of Holiday Bustle... Abundant velvety poinsettias in intense shades of burgundy and red are offset with baubles, fruits, sparkling organza ribbon and clear mini lights.*

## Venetian Splendour

*Carnival masks, harlequin ribbon, and lavishly wrapped gifts in rich gemstone shades celebrate the magnificent beauty of Italy's showplace city. Crystal mini lights complete the look.*

## Highland Harvest

*Evoking the warmth of Scottish heritage, tartan ribbon is engagingly entwined with grapevine and studded with red apples, frosted pears, feathery red cardinals and sparkling clear mini lights.*

## Alpine Woodland

*Natural beauty with an upscale aura, this artful tangle of mountain greenery is replete with pomegranates, pears, and ruby red berries, and all a-twinkle with clear, star-like mini lights.*

## Acadian Country

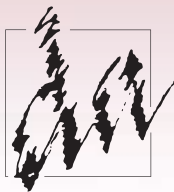

*Organic elements woven into a striking contemporary statement. Natural red dogwood branches form a beautiful backdrop for colourful clusters of fruits and berries, sprigs of green leaves and sparkling clear mini lights.*
