

Festive Focal Points

You can invite your customers to step into a wonderland of holiday delights, even without a Santa on hand. Display Arts can create exquisite environments and feature displays that transport your customers into a holiday mindset.

Ice Castle

The latest in North Pole accommodations. Carved from a glacier, this Crystal Palace shimmers in icy shades of blue, white, silver and aqua. Snowy branches, giant iridescent icicles and snowflakes, and frozen toy soldiers create a contemporary take on the traditional setting.

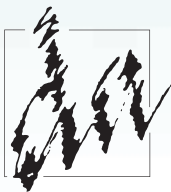

Custom Design

Our designers can work with you to create a program that suits your space, market and **BUDGET**.

Make It Easy!

As well as design, production and installation, we also offer financing, refurbishment and storage.

Over 37 years of creating successful exhibits has given Display Arts an in-depth understanding of the challenges facing retailers including the latest trends in colours, concepts and themes. Display Arts combines quality materials, expert workmanship and cost effectiveness and offers the finest display products and services – delivered to specification, on schedule and within your budget.

Santa's Country Cabin

A rustic woodland retreat. A cozy and inviting log cabin, split rail fences, a forest of trees, reindeer in relaxation mode, and a stylized snowfall to complete the natural charm of this Canadian Country Theme.

The Santa Phenomenon

Who doesn't remember the excitement of going to see Santa? The fairytale surroundings, the breathtaking wait in line, the heart-pounding moment when it was finally time to sit on his knee ... this is the stuff of memories that lasts a lifetime. This is what Display Arts can create for you!
